RE: Recommendation letter on behalf of Fructuoso Navarro Ros

Date

To Whom It May Concern:

I am writing this reference at the request of Fructuoso Navarro Ros who was one of our most proficient teachers in many of our Programs.

It took many years of recruiting Mr. Navarro to finally get him to say "yes" to teaching at the "Centro de Profesores", as he was incredibly busy running his multiple businesses.

Having known and observed his teaching skills, I can definitively say that Mr. Navarro is a very capable and motivated teacher as well as very easy to work with. Over the last five years he has taught photography, and art and art history.

He is very energetic, fun and easy to understand, with examples and many tricks for remembering and creatively learning, making him not only unique but highly effective.

Mr. Navarro has a number of strengths to offer an employer and is always interested in supporting others. For example, one year when we worked on our class community service project, Fructu was helpful to me in collecting and organizing new ideas from students. He also provides consistent high student ratings.

In conclusion, I would highly recommend Fructuoso Navarro. He will be a positive addition to your organization.

Sincerely,
